Spaceform Architectural
Studio

Spaceform 是一家成立于 2006 年的独立建筑与室内设计工作室。我们相信，建筑环境不仅要让人看得见，更要让人感受得到——空间应充满生机，材料应优雅地随时间流逝而变化，而其形态则会在初次邂逅后仍久久萦绕心头。

Spaceform is an independent architecture and interior design studio founded in 2006. We believe the built environment should be felt as much as seen — spaces that breathe, materials that age with grace, and forms that resonate long after the first encounter.
